July 4, 2017 @ 11:30 AM

WHEN: Today at 5 PM

WHERE: The end of Duck Island
(Island off Abbott Street)

COME AND WELCOME THEM!!

The Town made the decision to release two swans in the upper basin in the hopes of discouraging geese from nesting and to make the basin an even more beautiful place to visit.

The swans will reside there in the Spring, Summer and Fall and will be housed off site in the Winter time.

There will be a naming contest for our new residents. The public are invited to submit their name suggestions to: recreation@smithsfalls.ca. **Contest ends July 16th, 2017.**

A name will be selected from the submitted list and the winner will receive a small thank you gift for their contribution.
