BACKGROUND

The Council for the Town of Smith Falls enacted a new development charges By-law No. 10324-2022 on March 21, 2022.

This by-law imposes a charge on all lands developed within the Town of Smith Falls, except for those exemptions as provided under the *Development Charge Act, RSO, 1997* and those outlined in the DC by-law. A copy of the by-law is available from the Clerk's Department.

PURPOSE OF DEVELOPMENT CHARGES

Development charges are collected by the Town for the purpose of financing the construction of new capital infrastructure, as a result of the growth stemming from land development in the Town of Smith Falls.

SERVICES TO WHICH DEVELOPMENT CHARGES RELATE

Development charges payable for land development shall be based upon the provision of the following designated services in the Town of Smith Falls:

1. Library Services

2. Parks and Recreation
3. Fire Protection Services
4. Police Services
5. Development Related Studies
6. Services Related to a Highway:
 - a. Public Works
 - b. Roads & Related
7. Water Services
8. Wastewater Services

INDEXING OF DEVELOPMENT CHARGES

The development charges may be indexed annually commencing January 1, 2023 and annually thereafter on February 1st, without amendment to the by-law. The indexing will be in accordance with the most recent annual change in the Statistics Canada Non-residential Building Construction Price Index for Ottawa-Gatineau.

TREASURER'S STATEMENT

The Treasurer for the Town of Smith Falls shall furnish to Council each year, a statement in respect to the development charges by-law and its reserve funds in the prior year. The statement must include, for each reserve fund, a description of the service, opening and closing balances, details of any credit transactions, details of any borrowing from the reserve fund that may have occurred, the amount spent on growth related projects, the portion of each project that is funded from the reserve fund and the portion funded from other sources of financing.

A copy of the treasurer's Statement can be viewed by the public at the Municipal Office upon request during regular office hours, Monday to Friday, between 8:30 to 4:30.

RULES FOR DETERMINING THE DEVELOPMENT CHARGE APPLICABLE

You may be required to pay development charges for any residential or non-residential development if you are:

- Erecting a new (not replacement) building(s)
- Making an addition or alteration to an existing building(s) which increases the gross floor area or number of units
- Redeveloping a property or properties, which results in a change of use.

A building permit will not be issued until all development charges have been paid. Development charges are payable at the time of subdivision agreement, or at the time of the issuance of building permit. Applicants should review By-Law 10324-2022 and/or consult with the Building/Planning Department to determine the applicable charges that may apply to specific development proposals.
