Welcome to the Smiths Falls Heritage House Museum.

The Heritage House is the Smiths Falls community museum, offering changing local themed exhibitions, art shows and events in a one of a kind 1860's home. This open concept museum welcomes visitors to step beyond the velvet ropes to immerse themselves in history. Main level Victorian rooms feature artifacts that were made in the area or brought to Smiths by local families. The upper level includes exhibit and gallery spaces highlighting local artists and the wider history of the town of Smiths Falls.

“The heritage house museum team was a dream!”

“All of the employees were fast responding & wonderful to deal with. What a stunning, AND very reasonably priced venue! They provided us with 100 chairs for our ceremony and a place to hang out while all the guests arrived. We had all our pictures taken around the museum! What a beautiful backdrop to create some amazing memories! 5 stars!!”

–Becca

“We had our marriage ceremony at the Heritage House Museum in September, 2022 and it was absolutely perfect.”

“Our officiant stood at the base of the willow tree and our signing and sand ceremony were both held in the gazebo (museum staff even set out an antique table for us to use). The gardens were beautifully kept and staff even worked to help cut down a few of the longer willow tree branches last minute to make sure everything would look great for our big day!! The bridal party walked along the north-facing foot path from the basement for the ceremony entrance and staff even cleared room for the our limo to park at the back door so nobody would see us before the big reveal at the ceremony. Museum staff were extra friendly, accommodating and eagerly answered all our questions in a timely manner. Our guests loved the museum and the washrooms are accessible for guests as well. Our photographer got a big group picture of all our guests from the museum balcony after we confirmed with the Museum manager. The heritage house is a beautiful choice for any event, but especially lovely for a wedding as it’s right next to the Rideau canal, has unique architectural features (big historic windows, local antiques, period rooms, etc) and staff work to make it extra special! Thank you again for being our dream wedding destination!!”
