

**CORPORATION OF THE TOWN OF SMITHS FALLS
BY-LAW # 8767-2015**

By-law to Amend By-Law 8712-2014 being a By-law to Establish and Regulate the Maintenance, Operations and Management of the Water System for the Town of Smiths Falls, and to Establish the Rates and Other Service Charges for Use of the System

WHEREAS pursuant to the Municipal Act, 2001 as amended, a municipality may impose fees and charges on any class of persons for services or activities provided or done by or on behalf of the it, and

WHEREAS Section 12 of Ontario Regulation 244/02 establishes the terms and conditions under which a municipality may impose fees or charges for the use of a water system or the consumption of water, and

WHEREAS the municipality has met all the conditions listed in Section 12 of Ontario Regulation 244/02, and

WHEREAS the Municipal Act, 2001 as amended provides for the imposition of interest charges and other penalties, including collection costs for fees and charges that are due and unpaid; discounts for early payment; fees and charges that vary on any basis the municipality considers appropriate and specifies in the by-law; the establishment of different classes of persons and gives authority to deal with each class in a different way; and the exemption in whole or in part of any class of persons from all or any part of the by-law, and

WHEREAS Section the Municipal Act, 2001 as amended allows the municipality to add unpaid fees and charges to the taxes for the property and collect them as if they were outstanding taxes, and

WHEREAS the Municipal Act, 2001 as amended gives authority to municipalities for the establishment of various policies and procedures for the operation and maintenance of the water system.

NOW THEREFORE the Council of the Corporation of the Town of Smiths Falls enacts as follows:

1. THAT the fees and charges outlined in Schedule "B " Water Service Rates and Schedule "C" Additional Charges form part of this By-law.
2. THAT By-law 8712-2014 is hereby amended.
4. THAT the provisions of this by-law shall come into force and take effect upon the passing thereof.

Bulk Water @ Plant; Metered Rate @ \$7.34 per cubic meter (Minimum \$33.17/load)				

* The Commercial, Industrial, Institutional rates & Combined Commercial/Residential rates shall be used for property on the assessment roll not assessed as residential and for properties with mixed commercial/industrial/institutional/residential assessment which do not have separate services for the residential uses; the water billing will consist of two parts:

- (1) The non-residential base service charge consists of the appropriate rate for the meter size and the residential base service charge for any residential units attached to the same service; per unit charge
- (2) The consumption rate will be the Commercial/Industrial/Institutional rate for each cubic meter of water passing through the meter.

ADDITIONAL NOTES:

Residential Rates are billed bi-monthly

All Commercial/Industrial/Institutional rates are billed monthly

Where both Commercial/Industrial/Institutional units are on the same service, the Commercial rates shall be used.

Water rates to individual customers outside corporate boundaries of the Corporation shall be subject to negotiated agreement between all parties concerned.

Seasonal Accounts are subject to a turn-off and turn-on fee.

Any turn-on of a service requires that there must be a responsible person on site before the water will be turned on.
