

SMITHS FALLS

RISE AT THE FALLS

NAME OUR SWANS

Two swans were released in the upper basin and are a picturesque addition to our waterfront. The swans will reside there in the Spring, Summer and Fall and will be housed off site in the Winter time.

Our swans now need names. There is one female and one male. The public are invited to submit their name suggestions to: recreation@smithsfalls.ca .

The deadline for submissions is July 16th, 2017 at noon.
